

# BUNNY HILL

## WEDDINGS

### Newsletter January 2022

Happy New Year! We hope this newsletter finds you well and having a great start to the New Year. We would once again like to say a huge thank you to those of you who have been so supportive and understanding during very trying times. We are praying for a more normal 2022 for us all. So with that in mind we have new events to tell you about and a few updates.

#### **Drinks Packages**

A reminder to all our couples that from January 2022 the drinks packages will be provided in-house, not by our caterer H&A. You will have the option to choose from the traditional drinks offering or something a little bit different! 2022 couples you can expect to receive a breakdown of our packages ahead of your detailing meeting with your designated coordinator. In the meantime if you have any questions please email our General Manager: [rachael@bunnyhillweddings.co.uk](mailto:rachael@bunnyhillweddings.co.uk)

#### **Bunny Hill Wedding Show**

On Thursday 17th February we will be hosting our very first in house wedding show here at Bunny Hill. Much like the previous events we have run in conjunction with Brides Up North, our event will offer new and existing couples the opportunity to visit the venue and look round our accommodation and grounds. We are excited to bring you this great opportunity to source suppliers including photographers, stylists and more for your big day, all of which are highly recommended by our team. We will also be hosting our first ever cat walk show with Treasured Brides Bridal Boutique & The Undercover Waiters; one you won't want to miss!

A place for this event can be booked through the links below:

[7pm Entry](#)

## Taster Evening

Thank you to all our couples that attended our last Taster Evening back in November, it was a fantastic night. The next Taster Evening is being held on 27th January and is now fully booked, if you would like the opportunity to book onto the following event on the 3rd March please email our General Manager Rachael at [rachael@bunnyhillweddings.co.uk](mailto:rachael@bunnyhillweddings.co.uk).

## Taxis

A number of you have expressed your disappointment that we no longer offer a pre bookable shuttle taxi service, as we did when we first opened. Can we take this opportunity to explain why.

Firstly and most importantly, it was a fabulous idea but in practice it just did not serve it's purpose. Generally the majority of guests want to leave within the same 1 hour window and therefore it was not effective, we are off the beaten track meaning journey times to local accommodation are slightly longer. We found that the taxis were parked outside doing nothing for most of the booked time, then there were too many people left without a taxi. It proved to be a very expensive service and sometimes guests were left stranded at the end of the evening.

We have a comprehensive list of taxi firms to share with you and stress that you share this with your guests as soon as possible, reminding them that pre booking is essential. Alternatively, we highly recommend East Yorkshire vintage buses who are extremely reasonable if you wish to provide transport for your guests with a fixed departure time. They really do offer a 5\* service at Bunny Hill. If you are interested in booking one of these for your guest please get in touch using the below details:

Adele Peacham – Coaching Supervisor  
(East Yorkshire Buses/Coaches)  
Tel: 01482 381718

## Previous Newsletters

To help you with your wedmin, we have added a section on our website that contains all our previous newsletters. For ease of reference you can find them located in the footer section of our homepage under the title 'Newsletters'

## Site Improvements

We are pleased to say that we will be resurfacing the access road leading to Bunny Hill in the New Year. It is currently in a state of disrepair and despite lobbying East Riding of Yorkshire Council, who have the responsibility to maintain it, for a number of years now, the necessary work has not taken place. We will undertake the work ourselves in early 2022 as a courtesy to our customers. Hopefully there will be no further need to remove false teeth and wear a support bra when visiting us!

## The Bunny Hill Team

We are delighted to welcome Amanda to the team as our Housekeeper and part time Assistant Coordinator. As well as her important role keeping our accommodation to a high standard and welcoming guests on arrival, Amanda will also be assisting our full time Coordinators from time to time in the running of wedding days.

In February our team will be expanding further with the addition of our new full time Coordinator James who has years of experience in the wedding industry, working in venues across the Yorkshire region. We can't wait to welcome him to the team!

**We look forward to welcoming you  
back to celebrate with us in 2022 and  
beyond!**

**'The Bunny Hill Team'**
