WEDDINGS

Newsletter August 2022

We hope our August newsletter finds you well and enjoying the warm weather! We're in the midst of a very busy summer season here at Bunny and are loving seeing so many of our couples, including our last few reschedules finally get their day. It's been a while since we dropped you an update on what we've been up to so we thought it was about time for another newsletter!

Accommodation

Some of you will be aware that we plan to build some extra on site accommodation which will take our total overnight capacity up to 34. These new rooms will be added to our existing courtyard and are currently in the planning stages. We will update you via social media and our Autumn Newsletter as soon as we have final plans approved and project dates to share.

Wedding Photography

One of our favourite things is receiving photo albums from our couples. Not only do we enjoy reliving the memories with you but we love to show you guys off on our social media channels too. If you've celebrated your wedding with us in the last year and haven't seen your photos featured yet, please send your gallery links over to yourday@bunnyhillweddings.co.uk

Getting in touch with us

A reminder to use the email 'yourday@bunnyhillweddings.co.uk' if you have any questions. This helps us answer you as quickly as possible. To help you with your wedmin, we have also added a section on our website that contains all our previous newsletters. For ease of reference you can find them located in the footer section of our homepage under the title 'Newsletters'

Christmas

A note for all our couples getting married around this magical time of year, our Christmas decorations will be going up on Sunday 27th November 2022.

Tented Village

A reminder that the tents are available to hire between April & September and are booked directly through an external supplier Starbright Hideaways. Should you book more than 4 tents you must provide additional toilet facilities, Starbright can arrange these for you at an additional cost. Please ensure that your guests have received all the information they need to prepare for their stay. In addition we will now require a lead email for each tent booked so we can share some information with them too. Unfortunately we are not responsible for rectifying any complaints regarding the tents and any issues should be taken up directly with Starbright Hideaways.

The Bunny Hill Team

As we continue to grow we have welcomed 3 new team members! Georgia has joined our co-ordination team and is already in the swing of helping our couples with their plans and coordinating their days. Organised, smiley and a lover of pizza - rest assured if she's your co-ordinator you're in safe hands!

Emma has been working for us for over a year now working the bar and front of house. She has now stepped up to join our full time core team looking after housekeeping. Her role entails keeping our accommodation ship shape and she's doing a fantastic job navigating the first summer season in her new role. She is also assisting our co-ordination team so you might spot her around on your wedding day too.

We also welcome Evie, supporting the bar team and training up to work with the co-ordination team. She will be managing all your drinks choices, the cocktail lists and keeping the bar looking spotless for each event. We are super excited to see her add her own touch to your day with her Mr & Mrs cocktails!

In June our team also had their own celebrating to do for the wedding of our coordinator Jess. What a great day we had watching her tie the knot to Nathan and we wish them all the best for married life. Jess is now back at work with a new name so if she is your coordinator you will get an email from a Jessica Wilson instead of Jessica Stones, so don't panic!

Shout out to [Valentina Photobooths](#) for the great pictures!

Reviews

If you or your family and friends have a few moments to spare to share your experience on [hitched.co.uk](#) and [google](#) it would mean the world to our small team. Not only do your reviews allow us to continually develop our service, but also help future couples when planning their wedding and they really do make our day reading them :)

We look forward to seeing you soon!
