Newsletter November 2022

We hope our November newsletter finds you well and enjoying the change in seasons, we are so excited for all the gorgeous Autumn/Winter weddings ahead! We have lots of things to update you on including our new reception building and some new dates for your diary.

Christmas Decor

Just a reminder for all our couples getting married around this magical time of year, our Christmas decorations will be going up on Sunday 27th November 2022 just in time for our first festive wreath making event.

TWIAS - Thank you!

Firstly a huge thank you to all our couples who voted for our team and venue in this years 'The Wedding Industry Awards'. We are very pleased to say we have been shortlisted and will be attending the regional finals on Monday 7th November in Newcastle. Follow our Instagram story to see how we do.

Reception

The build is almost complete on our brand new reception located just off the main car park. When you arrive at the venue this will now be where you go to let us know you've arrived. Your detailing meetings will take place here and it's also the base for our growing team!

Accommodation

We are pleased to say that the planning application for our new accommodation has been passed and building will begin in January. We hope to have the new rooms available for Summer 2023 but we can't give exact dates just yet.

Upcoming Events

We have a number of events coming up over the next 6 months that we would love to see you, your friends and family attend. There provide a lovely opportunity for you to spend time in your venue or sample food ahead of choosing your wedding menu. Make sure to add the dates below to your diary so you don't miss out!

Wedding Photography

We love to receive photo albums from our couples. Not only do we enjoy reliving the memories but we are proud to show you guys off on our social media channels too. If you've celebrated your wedding with us in the last year and haven't seen your photos featured yet, please send your gallery links over to jessica@bunnyhillweddings.co.uk

We've updated our policy

Please note we have updated our policy in relation to wedding ceremonies that take place at Bunny Hill. For an ideal wedding timeline we recommend ceremonies take place between 1pm and 2:30pm. Should your ceremony take place before midday the closing hours of the venue will be adjusted in line with the amount of time required before midday to conduct your ceremony. Ceremonies are included in your hire package, however we have had to make this minor adjustment as the venue is priced based on staffing hours for a post midday ceremony.

Have you moved?

As usual we will be sending out our festive Bunny Hill treats and to ensure they get to you please could you notify us of any changes to your address in the last 12 months. Please email paul@bunnyhillweddings.co.uk with the subject 'NEW ADDRESS'.

The Bunny Hill Team

Last month we welcomed Jane to team Bunny. We are so excited to have her on board as our new Events Assistant.

You will more than likely see Jane on your wedding day and on site during your visits. She is a keen photographer so will be snapping away at our tasting evenings and capturing things from a different angle on your wedding day!

Getting in touch with us

A reminder to please use the email yourday@bunnyhillweddings.co.uk if you have any questions relating your wedding. This helps us answer you as quickly as possible!

Reviews

If you or your family and friends have a few moments to spare to share your experience on hitched.co.uk and [google](https://www.google.com) it would mean the world to our small team. Not only do your reviews allow us to continually develop our service, but also help future couples when planning their wedding and they really do make our day reading them.

Don't miss anything

Please do remember to follow us on Instagram & Facebook to see what we are up to day by day. You can find us @bunnyhillweddings.

Gas Heaters

Unfortunately what we have been charging for the gas heaters on site is no longer sustainable. Going forward we will be charging £250 which will include all 7 heaters we have on site. These consist of 1 in the Bridal Suite, 2 in the Accommodation Stretch Tent and 5 in the Venue Courtyard area.

It is now costing us £385 to replace all the gas bottles after each wedding meaning that the £250 we are charging is only a contribution. Unfortunately this update will take place immediately meaning any invoices for gas sent this far for upcoming weddings will incur an additional charge.

We look forward to seeing you soon!
