We hope our September newsletter finds you well, and that you have had a lovely summer. We have a few things to update you on and some new dates for your diary, so let's jump in!

Accommodation

We are delighted to say that our new accommodation is now complete! All three of our new suites are available to book meaning that we can accommodate up to 35 guests on site.

If you booked before these rooms were completed, you are not obliged to take them. They will be available to book once the original rooms are filled, and 1 night bookings will be accepted.

The first of our new rooms, Hedgehog, is a spacious accessible double suite featuring a wet room and double sofa bed. This room sleeps up to 4 people.

Our second room, Kite, is another of our beautiful double suites with a King Size bed and en suite. There is also the option of booking a further pull out bed, meaning this room can sleep up to 3 people.

Finally, our third room, Partridge, is a 2 bedroom Family Suite with a King Size bed and bunk beds, this suite sleeps up to 4 people. The bunk beds are full size and will accommodate adults or children.

If you have any questions about the new accommodation, including booking them for your wedding, please contact the coordination team at yourday@bunnyhillweddings.co.uk

Tented Village

Don't forget that, to the rear of the accommodation courtyard there is a camping field for a tented village should you wish additional guests to stay.

Tents are provided by Starbright Hideaways and booked direct with them. Camping is available between April and September. Power can be provided for a generator should you wish to heat the tents and additional facilities such as changing tents can also be added into your package. More information about camping can be found in the 'camping' section of our T&C's.

Please note, we do not permit motorhomes, campervans or caravans overnight on the premises.

Upcoming Events

Looking ahead to some of the exciting events we have coming up. Be sure to put these dates in your diary!

Tasting Evenings

Spend time in your venue, as a couple or with family and friends. The bar is open and there's always live music.

Tasting events are an opportunity to sample the quality of food and service that our in house caterer Hog and Apple offer.

These events are the perfect opportunity for you to meet the team and ask any questions you may have about your wedding day food.

You'll experience H&A's food in your venue and get a feel for their style and the ambience they create, rather than tasting specific dishes.

If you are marrying in 2024, and haven't already attended a tasting, please book one of the following events to ensure you receive your complimentary tasting before your big day.

H&A Roast - Sunday 29th October 1pm £35pp - family and friends welcome

Fine Dining - Sunday 12th November 6pm £50pp - couples only

Asian Fusion - Thursday 14th December 7pm £50pp - family and friends welcome

Chargrill - Sunday 21st January 1pm £35pp - family and friends welcome

Additional events will soon be confirmed for February and March 2024.

The accommodation will be available to book for evening events on a first come, first served basis, so don't miss out, get your room reserved now!

General Information:

- Please note if your wedding is booked on the Keep It Simple package, any tastings booked are chargeable.
- You can attend as many tasting events as you wish, simply choose one tasting as your free event and pay for additional tastings.

Awards

DEADLINE APPROACHING

We are immensely proud of our team who work tirelessly to provide our brides and grooms with the best experience on their wedding day, as well as in the lead up and beyond.

To recognise our teams achievements, we have entered two sets of awards, and now we ask that our amazing couples take the time to support us in the form of a vote!

If you married with us between 10/10/2022 and 02/10/2023 please vote for us in the Venue (Barn) category for TWIA 2024 [here](#).

If you were married between 06/06/2022 and 19/09/2023 then please vote for us in the Countryside Wedding Venue category of NOEWA 2023 [here](#). The closing for these awards is fast approaching, be sure to get your votes in before 17th September 2023!

If we win the national awards, to celebrate, we will be hosting a fabulous garden party inviting couples who give us a 5* vote, so please don't vote anonymously. We were so close to winning last year, it really came down to just a couple of points! So please get those 5* votes in for us so we can all celebrate a victory together!

Policy Update

We are very pleased to announce that going forward the mezzanine lounge bar will be open from 6pm to 9pm* the night before your wedding with no charges. You can use this space for pre wedding get togethers. Grazing tables can be arranged starting from £13 per head**.

* Bar extension available until 10pm subject to a minimum spend

** You can choose your own catering company for times outside of the wedding day, they will not have access to the kitchen facilities so should be fully mobile and have PLI and a hygiene rating.

The pre order accommodation drinks option will no longer be available. Any drinks you require for consumption after the bar closes can be ordered with the bar tender. Drinks can be pre-ordered for delivery to your room the morning of your weddings, please ask at the bar.

Please note that our alcohol policy still applies and alcohol should not be brought in to Bunny Hill from off site. We keep our prices fair and as licensees we need to manage alcohol consumption responsibly.

Venue Updates

You may have noticed some of the new features around the venue on our social media over the summer, these are available as part of your venue hire.

Our outdoor aisle runner sets the scene beautifully for an outdoor ceremony, or as your first runway as a married couple heading for the confetti tunnel.

We have two full size goal posts available for after your wedding breakfast, providing some light entertainment before your evening guests arrive. These are tucked out of the way whilst photos are being taken, and brought out as required.

To improve health and safety, we've had a defibrillator installed on site, giving our guests peace of mind. It is located in the guest kitchen so as to be accessible at all times.

Finally, General Manager, Andrew, is working on an exciting new drinks range bringing what we offer up to date and acknowledging new trends.

Baby Showers

Are you, or someone you love expecting a gorgeous new arrival? We are pleased to announce we now offer the hire of our Garden Room for intimate baby shower celebrations.

Please contact us on info@bunnyhillweddings.co.uk and see our brochure linked here for more details - [Baby Shower Brochure 2023](#).
