Reviews

If you haven't already, we would really appreciate it if you could spare a minute of your time to leave us a 5* review. Each review means so much to our small team and helps future couples when considering booking Bunny Hill for their big day!

We are also reliant on our couples 5* reviews for attaining recognition on our advertising platforms, Bridebook & Hitched who will be announcing the best in the business for 2023 very soon.

Both websites are highly regarded by couples during their planning process, and may have been something you relied upon yourself. It's important for us to be able to show future couples that they can trust in us to provide them with their dream day and who better to hear it from than you, our amazing Bunny Hill couples!

If you have already left us a review on one of our platforms, please consider copying and pasting to our other review sites, it really makes a difference.

What we've been up to

After a busy wedding season we haven't stopped the momentum and are in the midst of improving and refreshing the venue ahead of our 2024 weddings!

As well as our general winter maintenance of jet washing, deep cleaning the venue and accommodation and keeping the grounds tidy. We've made some exciting improvements to the site to boost efficiency and make us a more environmentally conscious venue.

Roofing

The first of these changes can be seen across the older portion of our accommodation - we've had the original stable block re-roofed to match the newer accommodation block, improving the overall look, but more importantly assuring the accommodation is maintained to the highest level.

Solar panels

We've had solar panels installed onto the main barn roof, making us a much more environmentally friendly venue. The solar panels will store the energy created as well as feed this back to the grid. It's been a long overdue and necessary change needed and we're pleased to be able to provide weddings in a more environmentally conscious way.

New room info booklet

Our guests comfort is very important to us, and having access to key information can make a difference to that. All of our guest rooms have always contained a handy folder containing information about their room and the facilities available on site but these have had a facelift for 2024.

We've listened to feedback and improved the information we provide within these focusing more on the need to know aspects - we know how most people are just keen to find out the wifi code!

Children's welcome packs

We are a family focused team and venue, and if the kids are happy then so are the parents and us!

To increase the enjoyment of the children staying in the accommodation, we now include a little welcome pack in their rooms with a few activities and treats.

Make sure you let us know which rooms the children will be staying in so that we can have these ready!

Perfecting Christmas Cocktails

We're always looking to improve what we have on offer behind the bar, and our cocktail menu is something that we love to work on!

We'll continue to offer the fan favourites such as Pornstar Martini, Espresso Martini, Mojito etc. over the Christmas period but we love to add something festive to the menu too!

You'll see such delights as:

- Baileys Espresso Martini: Baileys, Coffee Liqueur, Vanilla Vodka & Espresso
- Gingerbread Fizz: Spiced Rum, Cranberry Juice, Ginger Beer topped with Prosecco
- Mulled Wine Martini: Mulled Wine & Vodka with a ginger and sugar rim, served with dried orange
- Santa's Hat Shot: Chambord topped with Velvet Disaronno & Cream

Why not join us at one of our Christmas Party events so you can sample these delicious treats!
